Communiqué approved by the President of the Commissaires Panel:

Information communiqué / Informations

Communiqué no. 3

General Information

1. Riders must have their bicycles checked prior to commencing each competition. Please ensure that you present your bicycle to the Commissaires in the equipment check area, allowing for adequate time to make your start. You will also be required to present your bicycle prior to commencing each competition. Note that Commissaires are entitled to double check positions after the race. Should the bicycle or positions have been modified in contradiction to the regulations, the rider shall be disqualified. Riders are reminded that the minimum permissible weight for a bicycle is 6.800kg.
2. Riders are reminded that they are required to wear rigid safety headgear at all times while on the track.
3. Teams are reminded that equipment may not be left in the safety zone. Teams are also reminded that only the coach(es) of the rider(s) currently on the track are permitted in the safety zone. No other people are permitted in this zone.

For mass start events, up to one accredited person per nation is permitted on the raised platform adjacent to the back straight (on the infield side of the security fence). The home straight, back straight and ramps must remain free of personnel and equipment.

4. Team Managers - Please note that, if permitted, any rider replacement to a confirmed selection may only come from the list of already registered riders and must be submitted before the end of the evening session prior to the relevant competition. Team Pursuit team modification may be made up until 1 hour prior to each start.
5. For purposes of regulation 3.2.013, if a rider is relegated in a competition, that relegation also carries with it a warning. Riders will receive only one warning before being disqualified; such warning or disqualification is relative to one specific competition only. Depending upon the gravity of the fault, a rider may be disqualified without warning.
6. During Trainings and Competition, no electronic devices (radios, MP3 players, etc.) with headphones shall be allowed on track.

Technical Information

7. The transponders issued by Tissot must be present on the bicycle in all events.
8. For mass start events, riders should enter the track solely at the home straight and should exit the track solely at the back straight.
9. For the Sprint Competition, 24 riders will qualify for the 1/16th final from the Flying 200m competition. The winners of the 1/16th final will proceed to the 1/8th finals of the competition and the losers of the 1/16th final will be ranked according to their 200m TT qualifying time. The rounds of the Sprint Competition will be organised according to article 3.2.033, concerning World Championships.
10. In the Individual Pursuit, a rider who causes two false starts in the qualifying round shall be eliminated. A rider who causes two false starts during the finals, loses the final.

Information communiqué / Informations

Communiqué no. 3

11. In the Points Race, neutralized riders shall not return to the track within the last kilometre. Rule 3.2.132 has also been modified to indicate that a rider suffering a recognized mishap in the last kilometre shall not return to the track but shall be placed depending on the points scored at the time of the mishap.
12. In the Keirin event, the starter may stop the race in the event of illicit behaviour made by one or more riders behind the derny. The race shall then be rerun without the rider(s) at fault.
13. In the Keirin event, a restart shall take place immediately if a mishap occurs within the first half-lap.
14. For the team sprint competition, the riders of each team shall start either side by side or staggered at an angle of 45° behind the start line. The lateral distance between riders shall be equal and lie between 1.5 and 2 metres.
15. In the Madison competition, should both team-mates fall simultaneously, the team shall be entitled to a neutralisation equal to the number of laps closest to 1000 metres (4 laps). Neutralized teams may not return to the track in the final kilometre.
16. In the Scratch Race, riders suffering a recognized mishap shall be entitled to a neutralisation equal to the number of laps closest to 1300 metres (5 laps). Neutralised riders may not return to the track within the last kilometre. Any rider not ending the race will not be placed.
17. Riders are reminded that they must wear their respective national apparel for presentations. Riders who are obliged to wear the World Cup jersey during competition may wear their national jersey on top of the World Cup skinsuit for presentations. Riders must present themselves for awards ceremonies at the time indicated. Team managers are asked to have a bike ready for the rider to do one lap of honour immediately after the awards ceremony.
18. For the purposes of art. 3.2.247 points 3 and 5 (the Individual Pursuit and 1 km individual Time Trial), the seeding will be based upon the inverse order of the omnium following the previous event.
19. The 200 metres individual Time Trial that is part of the Omnium shall be ridden as if it were a Sprint Qualification, for the purposes of art. 1.3.023. This means that no attachments may be added to the bike.
